DCP Testing Opportunity

There will be DCP Testing at the Leaders' Retreat in Louisville on Friday, June 14, 2019 from 5:30 – 6:30 pm. It is currently scheduled to take place in the Thoroughbred Room. You will also get to meet the NEW DCP Coordinator, Debbie Thistle, director of White River Sound!

FYI – there is a NEW analytical listening test, so that could alleviate some of your fears of taking that module! ☺ You will just need to provide your own laptop and headphones for that module.

Please email Deb at gemtenor@aol.com if you plan on taking tests, and which ones, by June 7, 2019.

Looking forward to assisting you on your way to complete the DCP!

Thank you!
