FINDING MUSIC TO ARRANGE:

TO FIND A PARTICULAR SONG:

- **Sheetmusicplus.com** A source for over 2,000,000 digital downloadable songs
(All former self-published songs on this site are now on ArrangeMe.com)
- **Musicnotes.com**

ADDITIONAL MUSIC SOURCES:

- Garage sales
 - Music stores
 - Flea markets
 - Someone's piano bench (ask your friends)
 - Antique stores - they often sell the music for the cover page but we want what's inside!
 - Sheet Music Consortium - <https://digital.library.ucla.edu/sheetmusic/>
 - Libraries - I've found a lot of music in the files at my local library
 - Sheet Music Back in Print - <http://www.sheetmusicbackinprint.com/index.html>
 - Public domain songs - <https://www.pdinfo.com/>
-

Links to sheet music collections and historic recordings.

- [Sheet Music Consortium](#) – Hosted by the UCLA Library but captures information about dozens of sheet music collections around the world. An excellent one stop” shop for old sheet music.
 - [Cylinder Preservation and Digitization Project](#) – UC Santa Barbara, Davidson Library. Historic recordings from the era of Edison wax cylinders. Many pre-1938 barbershop quartets are in this collection, digitized and freely available.
-

Sheet music collections at selected university libraries

- College of William & Mary, Swem Library – [Sheet Music Collection, 1827-1974](#)
- Duke University, Rubenstein Rare Book and Manuscript Library – [Historic American Sheet Music](#)
