Gem City from Deb Bringman: Gem City is "hunkering down" and enjoying a break in the hard work we've done this past year. Last night (3/29) we had our first pandemic "rehearsal" via zoom to connect and discuss future plans. The board met on 3/27 via FB messenger. I am trying to figure out how to have a virtual rehearsal. I would welcome any thoughts about this. Also - GC WILL be celebrating our 50th Anniversary - scheduled for Aug 1st, but we will postpone if necessary!

Almost Heaven from Susan Cannon-Ryan: We are not doing much right now. We have a group conversation on messenger and we are checking on everyone that way. We haven't tried to hold any online rehearsals yet. I don't really know how to begin with that. We are announcing soon that our in person rehearsals will be cancelled through April.

Columbus from Kathy Larkins: Thanks for your note. Columbus Chorus is basically on break until this crisis is over. We are finding various ways to communicate until then.

River Magic: Since I didn't have time to talk to Kristi when she contacted me, we are all well. We had our first Zoom get together this week and had a blast. We will be on break through April, and will see from there. I've sent new music and learning tracks to keep them singing and learning. I'm also trying to call one or two members a day for a quick conversation. They have loved the individual attention!
