Hi All!

Here is what I've received from Friendship 7 and Tune Town. Unbridled Harmony is difficult to communicate with.... so if I hear something from them, I'll forward it.

Looking forward to our Facebook Live tomorrow and being together on Sunday evening!

Deb

FRIENDSHIP 7

Hi Deb,

We are doing okay. I've been posting Jen's tags and Kathleen Hansen's videos on our Facebook group page. Hoping they are taking advantage during this down time. We have not tried virtual rehearsals. The internet service is limited at best, and our members technical abilities are next to none.

They are commenting and reacting to my posts, so hopefully they are staying warmed up and in good vocal health.

Sounds like we are in for a long haul.

I'm following all the region chorus posts.

Can't think of anything that we could use at the moment. I was gonna try to grab up those region visits, but didn't make it. The chorus decided they wanted PVI's. Guess it will have to wait.

Thanks for the reach out. Stay safe!!

TUNETOWN

Hi Deb!

I think we're doing pretty well considering the circumstances! We're doing rehearsals on Monday night via Zoom which has been working well so far. We've had over 50 members participating and even had some guests join in on Monday! We're learning some new music so we'll be able to hit the ground running when we can finally get together in person again. I'll be sure to let you know if anything comes up that we could use some help with.

Thanks for checking in!
