Report from the Communications Coordinator - April 2020

Items Worked

- Communicated to choruses about the Regional Zoom account, and have been working with Sue to schedule meetings as requested by various users. Have received generally positive feedback about people using Zoom, even as first time users.
 - Schedule is available to the public here: <https://tinyurl.com/HHR4-Zoom-Sched>
- Brief "Staying Connected" initiative, to communicate various ideas to choruses about new ways to keep in touch with their membership without in-person rehearsals.
- Submitted report to SAI HQ with the updated list after HHR4 RMT elections.
- Created "at home" logo for contest webcast on Facebook Live.

Chorus Status - Board Buddies

- Pride of Kentucky
 - Emailed 4/2
- Scenic City Chorus
 - Emailed 4/2
- White River Sound - Susie Fintz, President
 - Members are using a weekly Zoom meeting at their regular rehearsal time. They do 30 minutes of social time and 30 minutes of musical training led by the music team.
 - Debbie Thistle (Director) was planning to retire after contest, and so now has done so. There was some concern that there would be a loss of membership after this, but the last Zoom meeting was attended by 22 of 34 members.

Needing Action

- Public Meeting Summaries - <https://sai-region4.org/rec-meeting-summaries>
 - We have private RMT meeting notes posted for our most recent meetings of August, October, and January - <https://sai-region4.org/RMT-Only-Info> - but no public (pared down) version of these minutes has been posted for the public.
