

## **Staying Connected - Region 4 Choruses - March 30,2020**

### **Capital City Chorus - Kim Newcomb, Director**

Hi Kim, we are doing well! One of our members is getting over dealing with the virus, but other than that everyone seems okay.

We plan to have our first virtual rehearsal tomorrow evening. We are using the region's zoom account to help facilitate.

### **Cincinnati Sound Chorus - Angie Asher, Team Leader**

They have used Zoom twice. The first time was with the Admin & Music Teams. The 2nd time was with the entire chorus. Both times the director, Lynn Harmuth, did not participate. Apparently the 2nd time she was having trouble connecting.

### **K-Town Sound - Adriane Dobbins, President**

She said that they have not used Zoom yet as a chorus, but they probably will. Their director, Kellie is nurse so she has been pretty busy.
