

2019-20 International Funded Visits

Activity Update to EC 5/16/2020

13 of 18 Visits Completed

- 13 Region 4 IFV were completed in 2019-20, by six faculty members and to eight choruses
- 6 sessions were cancelled, 3 before COVID-19 isolation and 3 after
- All faculty have been reimbursed; all chapters receiving IFV paid the region their fee. Harmony Roses paid the \$50 but their event was canceled. I assume this can be applied to a future IFV (when feasible).
