Report from the Communications Coordinator - June 2020

Items Worked

- Compiled State of the Region Report responses from RMT members. Report was finalized and submitted to SAI on June 28, two days ahead of the final deadline.
- Created Webinar site and registration information for our Virtual Leaders' Workshop.
 - As of date of submission, we have 17 registrants. This number does not include our panelists.
- Reminded all chorus leaders about the Annual Regional Evaluation (ARE) that is due July 31.
 - As of date of submission, we have only received six responses.

Goal Setting

- I am open to any specific goals suggested by the RMT, or as might be requested in the ARE by the end of July.
- Though it is perhaps not specifically tied to my own RMT position, I think implementing a Regional Diversity & Inclusion Taskforce might be worth discussing, as well.

Chorus Status - Board Buddies

- River Magic Chorus - Patsy Stephenson, President & Beverly Miller, Director
 - Zoom rehearsals attended by 12-15 each week. Have trained a few without internet access how to call in via phone.
 - Held a rehearsal in local park, with lawn chairs social distanced! Sang for a short while, but it was of course difficult to hear one another. Each member also took a moment to stand in front of the others to say hello and catch up on recent news.
 - Using Kathleen Hansen's videos, and have three new songs in work.
- Scenic City Chorus - Megan Grass, President & Jennifer Cooke, Director
 - Emailed 6/26
- White River Sound - Susie Fintz, President & Pam Jensen, Director

- Feel settled in the rhythm of Zoom rehearsals. Plan to try a parking lot rehearsal sometime in July.
- Several Board and Music Team members plan to attend the July webinar.
