POKY

Hi Kristie! I miss you!!!!

I can't believe how busy I've been since I really have nothing ...productive...to do!

I've gotta check and see how many. Have to find all the information how to check in!

Are we supposed to pre-register? sorry, I'm a loser...gotta check it all out!

Hope you guys are all doing well! This Covid stuff is really getting OLD!!!!

Send love to your Mom and brother Rob for me. Really miss you all!!!!

Hugs!

Betty Lou

MNC

Emailed Robin but I not received a response. I am sure Kim and Natalie would tell us if something was off or if they needed help.

One Voice

Hello Kristie!

I appreciate you checking in with us. One Voice is doing very well in the midst of this pandemic. We have well attended rehearsals each week and have had some wonderful guests. We are in the midst of launching a VideoGram project that has taken a lot of time and energy but is keeping us engaged. I hope all is well with you and your chorus. Tough times that are going to continue for a while but we will survive.

Hugs to you

Molly
