## Personal Goals

What do you hope to gain from enrollment in this program?

I hope to learn more about the barbershop art form from a different perspective. I want to obtain more tools to help bring people into this amazing "hobby." I think that SAI offers a unique opportunity for life long music learning and I want to be a person who continues to share that opportunity with as many women as I possibly can.

I just picked up the records from Robin over the weekend but haven't had a chance to go through it all. Deb, do you need copies of the tests? For that matter, is there a document that describes the DCP process and record keeping I should be doing?  
 Thanks,  
 k

Hi again,

Actually, these were sent directly to our previous DCP Coordinator, Robin Curtis. I was out of the loop once I sent them to her. I do know that Kim paid for the testing after I sent the paperwork to Robin. I don't know what happened to it after I sent it - my sincere apologies!

Hi Gwen....

Sorry to bother you again, but do you happen to have a completed progress report for Kim? I don't see that the tests were graded and scored at the bottom of the tests.

thanks for checking.
