Hi Marlene,  
International usually lets me know when someone transfers into the region. There is a new lady taking care of DCP, so she probably just overlooked. Send me your address, phone number and email and I will add you to my list of certified directors. If you can send me a snapshot of yourself, I will get your picture and star added to our region 4 DCP Star board. Since I did not make it to winter warmup, I'm not sure who has the board at the moment, but I will get you added. Thanks for bringing this to our attention.  
Hope to meet you soon,
