Dear Robin:

On behalf of the Education Direction Committee, I want to congratulate you on advancement to *Certified Director* in the Director Certification Program. Recommendation for advancement was based on your achievement in each of the ten skill areas, and the committee was pleased to approve that recommendation.

Enrollment in this education program and your efforts to successfully complete the requirements for this advancement, attest to your desire to continue developing your skills as a Sweet Adelines chorus director. Best wishes in reaching your next goal in the program.

Sincerely,

Dear Robin,

Welcome to Region 4! Since I don't know exactly when you moved to our area, I may be a bit late with my welcome, but we're glad you're here.

In speaking with someone involved in the Music Services activities at International, I found out that you had come to the Star City Chapter from Region 20. I also was told that you had met all requirements for advancement to the Certified Director level in the Director Certification Program, and that you were being recommended for advancement to that level. I understand that the committee that acts on current recommendations will meet in August, so I suppose we'll find out before too long about the results.

So once again welcome. We wish you many happy years in Region 4.

Sincerely,

Mary Ellen Guntzelman
