Kim Wonders

Regional Faculty

Emailed the regional faculty, asking them to let me know if they would like to continue on the faculty. I also asked them if they were willing to work with any of our choruses to please send me a document with information on what topics they could share with our choruses. While all of them replied “yes” to continuing on the faculty, only 4 sent me the information I requested.

Virtual Leaders’ Workshop

Emailed my slides to Jeanne

Singing Summit

I have had an email exchange with our faculty, Lori Lyford. If we make this a virtual event she is willing to teach virtually. I am waiting to see the results from the survey to our membership.
