One Voice

We are working on a date I can join their virtual rehearsal. This was the message from Molly:
Thanks for continuing to reach out on behalf of the RMT! We are ready for our third rehearsal in cars at our space in Fishers, Indiana. We are still planning to have at least one Zoom meeting a month so I will let you know when that next one is, send you an invite and we will connect. Hope all is well with you, Kristie. This pandemic needs to be history sooner than later.

Hugs,
Molly
