## International Awards

To be eligible to win these international awards (with the exception of the most improved chorus award), the contestant must score at least 400 points. If the competitor places in the top five and does not reach a total score of 400 points, they can be recognized, but are not given an international award.

The following placements are designated as international awards:

- 1 - 5 place quartets
- 1 - 5 place choruses
- 1 - 3 place Division A (small) awards
- 1 - 3 place Division AA (midsize) awards
- Most Improved Chorus award

## Award Colors for Top Five Choruses and Quartets

Royal blue for first place, red for second place, white for third place, yellow for fourth place, green for fifth place, and black or teal for Most Improved Chorus medals.

Division A (small: 15-30 on stage, not including the director): Deep purple for first, medium purple for second and pale purple for third

Division AA (midsize: 31-60 on stage, not including the director): Hot pink for first, medium pink for second and pale pink for third
