Great to hear from you and hope Robbie is doing OK to I understand Jean and is been ill and she told us about Brian even though he doesn't want it now and I'm sure you are aware of it please let us know if there's anything we can do to make it better for them. I am we're doing OK I can't believe it's been a year since we've been together, I let our retreat was the last time we were together. You might be interested in the book that my daughter Kari just wrote I have it on my Facebook page it's called through the screen and it's teaches all about Hollywood techniques onto how to do virtual meetings and it's really quite good it just made the best sellers list on Amazon so and today is their launch day and so it's \$1.99 and you can download it to I Kendall app which is free so if you can before midnight get on there and get \$1.99 one because y'all I think you'll like it thanks for thinking about us I miss you guys take care and tell everybody we love them bye-bye. By the way I have dictated this and so if there's some really funky words in there it's somebody else's fault LOL

Thanks for the note - we were actually having rehearsal (via ZOOM, of course) last night when you wrote! Metro Nashville Chorus appears to be hanging in there - after a year of this, many folks are tired of not meeting in person. Kim's trying to figure out how and when anyone who's comfortable can meet for a shortened in-person rehearsal. We still have details to work out and the weather will affect plans, too. What a crazy time!!! Our 50th anniversary as a chorus is this May and our plans for a celebration have been pushed to 2022. Kim's been sharing a bit of the history of the chorus the past three rehearsals and has plenty more years to cover. It's been really fun to see and hear some of the videos, listen to the sound and check out some of the costumes!! My goodness, things have changed! We're still waiting to hear what the decision about International Contest will be for this year. Will we have it? Will it be postponed until next year? Who knows? How do we plan? We aren't the only ones on hold. I'm just glad I don't have to be part of any group that makes those decisions!

Thanks so much for checking in, Kristie.

Thanks for checking in! We have taken a little break and are still learning new music. I'm well and like you, cannot wait for warmer weather. How is Diamond Jubilee doing? Take care and we should have green grass and blooming trees in no time! I cannot believe it has been an entire year. We are strong, aren't we?

Hugs,

~Molly
