

MEMBERSHIP COORDINATOR  
RMT MEETING  
MARCH 7, 2021

Longevity

List has been forwarded to Sue. We have 5 Region 4 members to receive awards this year: Cindy Weigant (GC) & Carol Donnelly (POK)--50 yrs, Carolyn Healey (CSC)--55 yrs, Jan Wilkins (CAL)--60 yrs, Ann Neess (CSC)--65 yrs. I have contacted all to confirm. Ann is in a nursing facility at this time, but I have been in contact with her daughter.

I talked with Sue and we thought it appropriate to list all the honorees (we have 59 total) during the contest event and honor these 5 with awards, flowers, etc, later, much like we did last year. Thoughts?

DEI

I have attached a report from this committee for your information and review.

Chorus Buddies

Scioto Valley—All is well at this time. They are making plans for a virtual open house and contacted me for information. I referred them to a couple of choruses (MNC & CSC) who had successful events.

Spirit of Evansville—They have not had any meetings since the Christmas holidays, but will resume in-person rehearsals March 15. They meet at a local restaurant in a large party room and sing for an hour or so, wearing masks and staying at a distance.

Ohio Heartland—They have not been meeting and most of their members don't do technology. Also, 3 or 4 members have been dealing with serious illnesses and many of their older members have been staying in d/t Covid. Per Bonnie Joseph, they are just "hanging in there".
